Highlights:

Dr. Sue Bratton
Ph.D., LPC-S, RPT-S,
Certified CCPT/CPRT-

- Dr. Bratton, the co-founder of Child-Parent Relationship Therapy (CPRT), will be providing the training.
- In this intensive training, participating therapists will learn how to teach the parents to apply principles and skills of CCPT in daily communication with their children and carry out weekly special play time, with the aim to improve parent-child relationship.
- Participating therapists will also learn to how to facilitate a safe and supportive group environment, where parents have the opportunity to share and reflect upon the challenges they encounter in parenting with other members.
- Internationally renowned play therapy educator Dr. Garry Landreth is the consultant of this program.
