

# CHILDREN CLINIC: SPECIAL PLAYTIME with Junior Play Therapist

Target: Children aged 3-10

Fee (each round):

- \$1000 (Junior play therapist)

Format (each round):

- Regular parent consultation(s)
- 4 play therapy sessions, 40 mins per session
- All therapists are under supervision of US Registered Play Therapist Supervisors (RPT-S) for quality assurance

Through Child-Centered Play Therapy, children can learn to:

- Express their feelings appropriately
- Cope with their challenges creatively
- Consolidate trust in themselves
- Make decisions independently
- Take responsibility for themselves
- Develop positive self-concept and self-respect
